INSTANT DEGREASER

Multi-Purpose Industrial Cleaner

Instant Degreaser is a multi purpose spray for cleaning a wide range of surfaces throughout industry. This product contains a blend of solvents, additives and scourers for removing greases, dust, dirt, grime, oils and oxidized contaminants from machines and areas to be worked or cleaned. It will effectively remove oil and grease from concrete.

Spray, mop or brush on to area, allow time for product to work (depending on the degree of soiling then hose off with water. Heavy backed on soiling may require re application.

Instant Degreaser is recommended for cleaning metals, plastics, wood products, concrete, ceramics and masonry surfaces. Due to the strength of the product, care should be taken to test on an inconspicuous area prior to general cleaning of some surfaces such as plastics.

Instant Degreaser is used in the automotive industry in the cleaning of small parts and componentry. In the engineering industry, it has proven useful in similar application, particularly where fitting and turning departments require a product to be clean or prepare a surface prior to re-construction. Ideal for fast dry brake wash. Instant-Degreaser is also used in the plastics industry for cleaning machines, moulds and removing mould release agents.

Pack sizes: 400g aerosol & 20 litre drums
