Brake & Parts Cleaner

Brake & Parts Cleaner is a specially formulated aerosol cleaning system for the automotive industry.

Brake & Parts Cleaner contains important additives to be a superior cleaner; it contains powerful additives to instantly remove greasy, gritty and fibrous deposits from Brakes and Parts that play a vitally important function of your vehicle.

Brake and Parts Cleaner is a great time and money saver it simply washes away any intrusive particles leaving the surface clean and ready for action.

Directions: Shake can well. Hold outlet nozzle about 10cm away from the Brakes or Parts being treated and spray liberally. For stubborn deposits a second treatment may be required.

Pack size: 400g aerosol
